

product range information

product information:

Minerva is a durable, contemporary range in a variety of attractive colour choices. Available in a Pindot pattern, Minerva provides a sense of quality and comfort whilst maintaining a hardwearing construction making it ideal for many different locations including nursing homes, care facilities and accommodation units. The polypropylene yarn is inherently stain resistant and easy to clean whilst the impervious foam backing shields the sub floor from liquid spills.

warranties:

8 year wear warranty
8 year anti-static warranty
Full warranty details available on request

Product Dimensions (width)	4m
Product Construction	Tufted Cut Pile Graphics
Surface Yarn	100% Polypropylene
Total Weight	2900g/m ²
Tufted Pile Weight	950g/m ²
Gauge	39.4 per dm
Stitches	37.0 per dm
Primary Backing	Woven Polypropylene
Secondary Backing	Aquabac - Impervious high density contract foam
Total Thickness	11mm

Colour Fastness

Light BS1006	not less than 5
Rubbing BS1006	not less than 5
Water BS1006	not less than 5
Shampoo BS1006	not less than 5

Flammability

Fire - Methanamine - pill	Pass
BS 6307: 1982	
Hot Metal Nut BS4790	Pass

For further information and recommended adhesives please contact Technical Services on 01625 428922. Gradus recommends the use of [Gradus XT stair edgings](#) to provide durability, definition and safety for stairs (in line with The Building Regulations 2000 - Approved Document M and BS8300:2009) and [Gradus Barrier Matting](#) to maintain the appearance of the carpet and reduce maintenance costs - visit www.gradusworld.com

ISO 14001 : EMS 59511
ISO 9001 : FM 10763

Light Reflectance Values (LRVs)

These values have been determined with reference to the CIE Tristimulus Y_{10°} illuminant D65 and the 10° colorimetric observer, in accordance with BS8493 : 2008. The Y co-ordinate represents lightness and extends from 0 (black) to 100 (white) and has been used as a measure of light reflectance values (LRVs).

All Gradus products have an LRV rating, including stair edgings, skirtings, matting & wall protection, to aid with creating an inclusive environment in line with the Equality Act 2010. Individual colour sheets are available from Gradus customer support. For additional information or advice on LRVs, how they relate to Gradus products or a copy of a test report contact Gradus customer support on 01625 428922.
